Welcome to Singapore!

Thank you for joining us for the 6th edition of the South East Asia Bridge Federation (SEABF) Championships! As a returning host, we are delighted to reunite with familiar players and welcome new faces to our very fine city.

For those new to this prestigious championship, here is a concise overview. The SEABF Championships were first proposed by Indonesia at the Asean Bridge Club Championships in 2015. They were inspired by Indonesia's successful introduction of bridge at the 2011 SEA Games.

Once again, we extend to you our warmest welcomes and hope you thoroughly enjoy the five exciting matchdays ahead.

This event is proudly brought to you by:

6th SEABF Championship Conditions of Contest

Laws

The Laws of Duplicate Bridge 2017 will be used. Unless stated explicitly, the General Conditions of Contest governing Asia Pacific Bridge Federation tournaments will apply.

Official Language

English is the official language of the SEABF Championships. During each match the players may converse only in English unless both captains (in team events) or all four players at the table (in pair's events) agree to use some other common language at their own risk. The Laws printed in English will be used by the Tournament Directors to adjudicate irregularities. No request for review due to misunderstanding in a language other than English will be entertained.

Types of Contest and Tournament Format

The following events will be held:

1. Open Teams
2. Ladies Teams
3. Senior Teams
4. Mixed Teams
5. Youth Teams
6. Open Pairs

Both SEABF Teams and ASEAN Clubs are combined in the Mixed, Open, Ladies, Seniors and Youth Team series. If there are less than 4 SEABF teams in any series but have 4 more teams otherwise, they will all be moved into the ASEAN Clubs. If there are 4 or 5 teams in a series, 2 prizes will be awarded. For 6 or more teams in a series, 3 prizes will be awarded.

The Ladies, Seniors and Youth series qualifying rounds will only be held separately if there is a minimum of 5 teams in that series, otherwise they will be amalgamated into the Open Team series, with the 2 top SEABF teams in each series qualifying for the finals.

Depending on the number of entries, the qualifying round of the Open, Ladies, Senior, and Youth Teams series will either be a round robin or Swiss. The SEABF finals will either be a 4-team single round robin in that series, or a 48-board 3-segment play-off with less than 8 teams in the series.

The Mixed Teams will be a 7-round Swiss of 8 board matches.

Bridgemates

Bridgemate II will be used as the official score input device. Teams can print their score sheets when the match is completed at self-service printers.

Screens

Screens will be used in the finals. The Screen Regulations from the APBF General Conditions of Contest will be adopted.

Time Schedule

The tentative schedule is included in this programme but is subject to final alterations depending on the final entries. The final schedule will be announced in the Captains' Meeting.

Team Numbers

Team numbers of all the team events will be drawn at the Captains' Meeting. If feasible, the schedule and numbers will be so arranged such that teams from the same NBO will meet each other in the earlier rounds.

Line-up and Seating

Teams will play according to the schedule. The first named team will be the Home Team and the other the Visiting Team. The Home Team sits NS in the Open Room and EW in the Closed Room. There will be no seating rights and the players will use the Bridgemate II at the table to enter the line-up.

Substitutes

If for any reason a team is unable to produce 4 players, either at the start of a session or during a session because of an emergency arising, the Director may designate a substitute to allow the match to proceed. The substitute must not be a member of another team in this contest. The Director, having designated a substitute, must inform the Tournament Organiser as soon as practicable and shall provide a written memo giving the circumstances that necessitated the use of a substitute. The result of such a match in which a substitute has played shall stand. If no substitute is available, the defaulting team must forfeit.

System and Conventions

The SEABF Championships is a category 3 event as described in the WBF Systems Policy. The use of both HUM systems and 'Brown Sticker' methods is prohibited.

Convention Cards

All Pairs are required to have 2 copies of their duly completed WBF convention cards at the table during the tournament, failing which procedural penalties may be imposed.

Alerts and Explanation

The SEABF Championships adopts the APBF Alerting Policy. The APBF adopts the WBF Alerting Policy with one exception - All doubles are not alertable, with or without screens.

Psychic Bidding Policy.

The SEABF Championships adopt the APBF Psychic Bidding Policy. The APBF adopts the WBF Psychic Bidding Policy with one exception - Psyches of convention and artificial openings are not allowed.

Forfeits

If a team is unable to play or complete a match, the Director may find that team to be in default and declare the match forfeit. The team in forfeit will receive 0 victory points and the non-offending team will receive the higher of

1. The average VPs for all matches played by the non-offending team
2. The complement of the average VPs of all matches played by the offending team
3. 12 VPs

Disqualification

In the case that a team is disqualified by the Tournament Organising Committee, all scores against this team are null and void

Agreement of Results

Correction of scores must be done within 10 minutes after the completion of a round, or 10 minutes before the start of the subsequent round if it is the last round of the day.

Late Start

A warning will be issued for the first offense of up to 5 minutes.

Subsequent offense, or offense of 5 minutes or more will incur a penalty of 0.2 IMP per minute. The tournament director may award a walkover for late starts of more than 20 minutes

Slow Play

Slow Play will be penalized at 0.2 VP per minute per team. The Tournament Directory may cancel boards yet to be played if it deems that the start time of the subsequent rounds may be affected by slow play, imposing a penalty of 1 VP per board canceled.

Request for Review

A Request for Review of the ruling of the director must be logged within 10 minutes of the conclusion of the match. All requests must be submitted to the director with a US\$100 or S\$140 deposit, which will be refunded if the Official Reviewer considers that the appeal has merit. Procedural penalties may be imposed for appeals that are considered frivolous.

Dress Code

Slippers, singlets and shorts are not permitted to be worn in the playing area.

Badges

Players and NPCs must wear their badges at all times while in the playing area.

Smoking and Consumption of Alcohol

Smoking and the consumption of alcoholic beverages in the playing area are prohibited.

Mobile Phones and Electronic Devices

Mobile telephones and electronic devices brought into the playing area must be switched off for the entire duration of the rounds in play. The Chief Tournament Director may, at their discretion, prohibit certain electronic equipment from being brought into the playing area

Trivia Corner

Ever wonder why the restaurant at the ground floor of York Hotel is named White Rose Cafe? From 1455 to 1487, the Wars of the Roses - a series of civil wars fought over control of the English throne - was fought between the House of York and the House of Lancaster. The House of York had a white rose as its symbol, as opposed to a red rose which was the symbol for their opponents, the House of Lancaster. (Thanks to David Law for this submission!)

You can contribute too!

Do you have a trivia submission of your own? Or do you have an interesting hand that you wish to highlight to your fellow players? Please send submissions to competition@scba.org.sg with details of the hands (Event, Session number, board number, name of players, bidding and play) marking "For the Editor" in the subject title.

Another piece of trivia: You might have noticed the large bust in the ground floor lobby of the hotel. The bust is of the late Mr Khoo Teck Puat, prominent businessman and investor, and father of current York Hotel Managing Director Elizabeth Khoo. York Hotel is part of the Goodwood Group of Hotels, which includes the neighbouring Goodwood Park Hotel. Their family foundation, The Khoo Foundation, funded the Khoo Teck Puat Hospital in Singapore which opened in 2010. Beyond business and philanthropy, another member of the Khoo family is famous Singaporean director Eric Khoo who is known for his various films such as Mee Pok Man (1995), 12 Storeys (1997), Be With Me (2004) and My Magic (2008) which have been featured globally at various film festivals, including premiers and Palme d'Or nominations at the prestigious Cannes Film Festival.
